Here We Grow Again ...

In addition to our current locations in Pennsylvania, North Carolina, Georgia, Mississippi, Oklahoma, Arizona and Oregon, Circle Bolt & Nut Co., Inc. is adding site number eight in Indiana! This newest CBN site will be strategically located near the Route 31 corridor to give exceptional operational support across Indiana and its neighboring states.

Since 1979, Circle has continually grown from its Pennsylvania roots. We have consistently demonstrated that fasteners can be supplied with competitive pricing coupled with superior customer service. This corporate mindset, that is engrained as much today as it was thirty-seven years ago, is the reason that our organic growth has taken us from our humble beginnings to coast-to-coast locations.

Our new Indiana location will be supported by our newest team member, Brian Ward. Brian comes to CBN with over eighteen years of fastener experience.

Sincerely,

James J Castellino
